[www.turnerexhibits.com](http://www.turnerexhibits.com)

Turner Exhibits serves architects and designers by developing and producing custom fabrication solutions for unique projects. Small, interdisciplinary teams collaborate to evaluate solutions, plan and carry out the production of each project. We seek individuals who value collaboration and who bring a strong work ethic, a love of problem solving, and passion for fine craftsmanship.

To pursue employment at Turner Exhibits, please send your resume via e-mail to [info@turnerexhibits.com](mailto:info@turnerexhibits.com) or via fax to 425.744.1258. No phone calls, please.

If you send an electronic document via e-mail, please make sure it can be opened and printed from either Microsoft Word or Adobe Acrobat programs. To apply for a specific opening listed below, please identify the position in your cover letter. General applications are always welcome even when no position opening is listed.

## **Open position at Turner Exhibits: Fabricators**

Turner Exhibits is seeking experienced Exhibit Builders, Metal Fabricators, Welders, and Installers to join our dynamic production team. We build exhibits for museums and interpretive centers, corporate displays, and kinetic architecture systems in a positive, collaborative environment. Candidates must be able to read and interpret drawings and produce high quality work. Paint and/or finish work experience is a plus. Must be able to lift 70 pounds. A valid driver's license and selected hand tools are required. Fabricators will occasionally be expected to drive company vehicles locally to/from installations and may occasionally travel out of state. These are full-time positions with benefits. Wage DOE.
